Honorable and Dear Sir:-

Enclosed you will please find my application for a passport, and in this connection, I will state in addition to what the enclosed papers show, that I was born in London, Eng., July 16, 1850. In the year 1854, being then four years of age, I came to this country with my father and mother, coming direct to Chicago. In the year 1859, my father, who had the same name which I now have (I being named after him, and he being now dead) obtained from the Superior Court of Chicago, Illinois, his final certificate of naturalization. I was then nine years of age. I lived in Chicago from 1854 until Apr. 1875, when I moved my residence to Naperville, Dupage County, Ills., where I have since resided and now reside, Naperville is about twenty-eight miles from Chicago and my principal business is conducted in the latter City. My father having been naturalized when I was but nine years of age, of course made me a citizen upon my attaining my majority. I have endeavored in the affidavit to show these facts.

I also enclose my father's final certificate of naturalization and ~~my check for \$1.00~~ for passport.

Kindly return certificate with passport at your earliest convenience and oblige,

Yours truly,

*John W. Patton*

Detroit Mich June 5<sup>th</sup> 1895.

Hon. Edwin G. Uhl,  
Being Secretary of State,  
Washington, D. C.

Dear Sir,

I have the honor to state that my attention has just been re-called to the enclosed application of Mrs Elizabeth Stephens, for a passport; that the application was duly forwarded to the Department of State, Passport Division, on April 25<sup>th</sup> last, and the enclosed reply was received here on May 3<sup>rd</sup> following, a day or two after her departure, and without being opened, was immediately forwarded, by her friends, to her address abroad, and has just been returned by her, for re-consideration -

A new application by her on the enclosed blank is now impossible, of course, she being abroad, hence the same is now returned to the Department with my urgent solicitation that the passport be granted -

I infer from the enclosed letter of the passport blank, that the only reason for refusing

a passport in this instance, is, that the application was not made on one of the Department blanks. In response to this I would say, that, for 20 years or more past, I have frequently assisted applicants in making out their applications for passports, when it happened, as in this matter, that after deciding to go, applicants have not had sufficient time to procure blanks, & forward the applications, & obtain passport before sailing, and I have had to write out their applications, but no objections have ever before been interposed on that account within my knowledge.

If the Department will send me a few blanks of each set, so long as they hold out, I will see to it, that those whom I assist, adhere to the rule that application be made upon the proper printed blank.

I hope the Department may find it consistent with duty to grant this passport & oblige.

Yours, respectfully,  
J. W. Starnes,  
U. S. Commr Detroit Mich.
